

The map displays a residential neighborhood with several streets: IMFELDSTRASSE (running diagonally from top-left to bottom-right), WASSERWERKSTRASSE (running diagonally from bottom-left to top-right), and a small section of S-SWEG on the left. Building footprints are shown in light gray, many with black numbers. A large green area, likely a park or sports field, is located on the right side of the map. Red dots are scattered across the map, with a higher concentration along IMFELDSTRASSE and within the building footprints. The dots represent a dataset, possibly related to the 'Building Footprints' or 'Streets' layers mentioned in the text.
